Are other pets on heartworm preventative, and if yes, what brand?	
If not on preventative, please explain:	

GENERAL INFORMATION	
Please, list any Breed, Humane Societies, and similar organizations you support or are a member of:	
We will provide you with a complete evaluation of temperament of your adoptive animal. Do you understand that often times the complete history of a rescued animal may not be known?	
Will you be willing to work with us to correct any possible behavior problems?	
Please, provide the name, email address, and phone number of three references and their relationship to you:	
Reference 1:	
Reference 2:	
Reference 3:	

I declare that the information I have provided in this application is true and correct. I understand that if any information herein is found to be false that: (1) my application can be refused and/or (2) if the pet has already been adopted, said pet shall be relinquished to Poweshiek Animal League Shelter (PALS) without refund of the adoption donation. I agree that although all pets are medically examined and treated before placement, evaluated for personality, and every effort is made to match an appropriate pet with each home, no guarantees are expressed or implied as to personality or medical soundness of the pet by PALS.

I agree to accept the animal "as is" and understand that the adoption donation is non-refundable. I understand that home checks can be made on a random basis prior to and following adoption. I specifically give PALS, or their designee, permission

to conduct a home check, as they deem necessary, at a time of mutual agreement. I understand and agree that any material and substantial breach of this agreement shall entitle PALS to take possession of the animal **with or without notice**. If, **in the opinion of PALS or their designee**, conditions warrant removal of the animal from the home, PALS retains the right to remove the animal from the premises without a refund of any monies paid. This agreement shall be binding upon any party in whose possession the pet may be found.
